6 - SEAT WIDTH

7 - DIAGONAL ACCESS

Illustrations used for reference only.

Extra Flex®

A high density foam base seat interior with a hand-rolled carded fibre, channelled topper which provides both softness and support.

CARE GUIDE

Extraflex seat cushions should be plumped up on a regular basis to help maintain the aesthetical appeal of your upholstery, the plumping of cushions is essential to help retain the comfort and softness of any piece of upholstered furniture.

To improve the longevity of your hand-made furniture, we recommend rotating cushions (where applicable).

For further information on maintaining your furniture please refer to the care guide located under the seat platform.
